

Assistant Director for Operations

9 January 1952

Chief, FBID

Progress Report for December 1951

ADMINISTRATION

1. Authorized construction on Okinawa was delayed when the HECOF Staff Engineer reversed his position in regard to administering the construction for FBID. It now appears that satisfactory arrangements have been made with the 20th Air Force Installations Officer and with the FEAF. The Comptroller has been advised that additional funds may be needed to complete this project.

2. A project is in preparation to cover the appraisals of land which will be bought or leased for the new West Coast Bureau. The appraisals, which will be made by real estate agents recommended by the Justice Department, may also be used to determine the amount of funds required in case condemnation proceedings are brought before the Federal Court. It is anticipated that the procurement of necessary land will be accomplished this fiscal year.

OPERATIONS

3. Departments of Army, Air and State were requested to comment on the proposed FBID monitoring facility in Rotterdam to exploit Soviet Far Eastern regional broadcasts. Department of Army supports the project in the only reply received to date.

4. Arrangements have been made to expedite on receipt any information concerning export of Soviet material beyond the Iron Curtain to Soviet Staff, CO.

5. Members of the Requirements Division, Psychological Warfare Staff, Department of the Army were oriented in FBID operations with particular reference to FBID analysis in connection with CO support of Psychological Warfare requirements.

6. COM representatives were briefed on FBID operations on 14 and 19 December.
